**Cathay Pacific Hong Kong International  
Wine & Spirit Competition Winner**

The Cathay Pacific Hong Kong International Wine & Spirit Competition is a unique and prestigious affair. The event is run in partnership with the London-based International Wine & Spirit Competition, which has been running for 46 years and is the world's premier platform for recognising quality in the industry.

Held in a major global trade hub, it is the first truly Asian wine competition in the world, supported by key factors such as: Asian food and wine pairing awards; an award for Best Wine produced in China; and judging conducted by Asia's most esteemed wine judges from China, Singapore, Japan, Korea, Taiwan and India – including the competition's Director and Master of Wine, Hong Kongbased Debra Meiburg MW and Chinese food and wine expert Simon Tam.

Being recognised by the Cathay Pacific Hong Kong International Wine & Spirit Competition provides winemakers with instant prestige across all international markets and at Haselgrove, we are elated to announce our Gold medal and Silver medal accolades for the 2014 Catkin Shiraz and 2014 Switch GSM respectively!
